Answer Key to Map Activity Worksheet for ANN ARBOR, MICHIGAN: ARGO DAM AND THE HURON RIVER (1908)

[Click on image to view full size.](#)

Use the information shown in the Map of Michigan to complete the following.

1. Draw a small circle around the City of Ann Arbor. ○
2. Locate where you live on either of the two maps shown, and draw a small star. ★
3. Underline the names of the five counties in which the main branch of the Huron River flows.
4. From Oakland to Monroe County, list the counties in the order in which the Huron River flows.

Oakland	Livingston	Washtenaw	Wayne	Monroe
---------	------------	-----------	-------	--------

5. Into which two other counties does the Huron River Watershed (in dark green) extend?

Ingham	Jackson
--------	---------

6. In addition to the Huron River, list the five other rivers named on the map.

Clinton River	Detroit River	Red Cedar River	River Raisin	Rouge River
---------------	---------------	-----------------	--------------	-------------
